

Current Restrictions

Additional Restrictions on Animal Movements

New World Screwworm (NWS)

All warm-blooded animals **originating from a New World Screwworm infested state**, but outside an infested zone, shall be required to have a Certificate of Veterinary Inspection (CVI) issued within 7 days of inspection. The CVI must include the statement “All animals listed on the CVI have been inspected and are free of screwworm larvae infestation and do not originate from nor have transited through a NWS Infested Zone.” An entry permit is required from the South Dakota Animal Industry Board by calling 605-773-3321 (after hours and online entry permits are not allowed).

All warm-blooded animals **originating from a New World Screwworm infested zone** must meet the movement requirements of the state of origin **and** have a Certificate of Veterinary Inspection (CVI) issued within 7 days of inspection. The CVI must include the statement “All animals listed on the CVI have been inspected and are free of wounds and screwworm larvae infestation.” An entry permit is required from the South Dakota Animal Industry Board within 48 hours prior to entry by calling 605-773-3321 (after hours and online entry permits are not allowed).
