Easiest = if it is leaving your farm, put in an official eartag (for some exceptions see below)

Scrapie Positive, Exposed, High-Risk and/or Suspect

Movement Restricted

VS or State Veterinarian will provide instructions on movement

**Moving sheep & goats in slaughter channels

Complete an owner/hauler statement with group/lot ID to travel with the animals

Tattoos and implanted microchips may not be used for animals in slaughter channels or moving through a livestock sale. When individual ID is required apply an official ear tag.

- * Group/lot ID and owner/hauler statement may be used for some movements in place of individual ID
- ***Registry or Flock ID tattoos or implanted microchips may be used with additional requirements
