Tips for ordering tuberculin from the National Veterinary Services Laboratories (NVSL)

The tuberculin request form must be completed and submitted to order tuberculin directly from NVSL:

- [VS Form 4-9](#)

The completed form may be submitted to NVSL by mail, fax, or email. Submission addresses are located on the form in the upper left. Email address for submission: nvsl_concerns@usda.gov

VS Form 4-9:

- Instructions for completing are on page 2 of the form.
- There are three products you may order for caudal fold testing in cattle or single cervical testing in cervids.
 - 131-B10 is the 10 ml vial of tuberculin (75-80 tests per vial)
 - 131-B5 is the 5 ml vial of tuberculin (35-40 tests per vial)
 - 131-B1 is the 1 ml vial of tuberculin (5-6 tests per vial)

For questions, please contact Dr. Marc Hammrich at 605-773-3321
