April 11 Homewood Suites, I 229 and Louise Avenue, Sioux Falls, SD at 8:30 AM

#### Speakers:

Todd Tedrow, DVM – South Dakota Animal Industry Board  
South Dakota's Foreign Animal Disease Response Plan

Patrick Webb, DVM – Director of Swine Health Programs - National Pork Board  
United States Secure Pork Supply Plan

Steve Rommereim – President, National Pork Board  
SD Animal Industry Board member

#### Details:

No cost to attend, pre-registration would be appreciated by contacting the SDPPC office.

Telephone: 605-332-1600

Email: [info@sdppc.org](mailto:info@sdppc.org)

No meal included with the seminars

All producers and allied industry representatives are encouraged to attend as everyone associated with the swine industry will be impacted in the event that a foreign animal disease is diagnosed in the United States.
