

Swine—Foreign Imports

Additional Requirements or Exceptions

A CERTIFICATE OF VETERINARY INSPECTION (CVI) MUST ACCOMPANY ALL ANIMALS ENTERING THE STATE

Canadian Swine

All swine must comply with federal requirements for entry. ([9 C.F.R. 93.516](#))

USDA import requirements must be met, AND

A South Dakota Import Permit is required.

Breeding and Feeding Swine

Official Identification is required and must be listed on the CVI.

Feeding Swine

A provincial government-assigned herd mark (premises #, tattoo, or tag) may be used if ALL animals originate from that premises.

****Pseudorabies-vaccinated swine are not eligible for entry into South Dakota.****

No CVI or Import Permit is required for livestock moving directly to an approved slaughter facility.

No CVI or Import Permit is required for livestock (except Equine) moving directly from a farm/ranch in a neighboring state to an approved auction market.
