

Animal Industry Board

Staff Veterinarian

(Job Id 7230)

Location: Pierre, SD

Employment Type: Permanent; Full-Time

Post Date: 10/13/2016

Salary: \$76,500 - \$89,000 annually; depending on experience

Closing Date: Open Until Filled

Description

This position supervises and enforces interstate and intrastate animal disease control laws and regulations; and performs regulatory veterinary duties including animal disease control, meat inspection, livestock neglect, livestock auction market regulation, and other animal industry regulatory duties. The veterinarian may administer and coordinate programs involving animal health, emergency management, avian health programs, meat inspection, animal identification, specific animal disease control and other initiatives enacted by the Board as directed by the state veterinarian.

Licenses and Certifications:

Applicants must be licensed (or be eligible for licensure within 12 months) to practice veterinary medicine in South Dakota and have a valid driver license.

This position requires travel and some overnight stays.

The incumbent must be flexible in scheduling work and will be required to locate as assigned in the Pierre Area.

VETERANS' PREFERENCE ELIGIBLE

This position is exempt from the Civil Service Act.
