

# eCVI

## **Electronic Certificate of Veterinary Inspection (eCVI) options available for veterinarians licensed and accredited in South Dakota:**

### **AgMove (formerly AgView)**

Website: [www.agview.com](http://www.agview.com)

- Available on iOS, Android, and desktop platforms
- Both large and small animals CVIs available
- Issued CVIs are automatically sent to the states of origin and destination
- CVIs can be created offline, allowing veterinarians to use the product in the field
- Clinic accounts allow for veterinarians and animal health support staff to collaborate on CVI creation and submission, creating a more efficient CVI process
- Allows the import of official animal IDs and other data from a spreadsheet
- Go to [www.agview.com](http://www.agview.com) to register from a desktop, or download the AgView app for free from the Apple App Store or Google PlayStore.
- There is a \$3 per CVI charge with no monthly account fee.
- Please click the following links for more information: [AgView Overview](#); [AgView Mobile App](#)

### **Global Vet Link (GVL)**

Website: <http://www.globalvetlink.com/>

- Private company. Monthly fee and costs per certificate are charged to issuing veterinary clinic.
- Producers may have an account to access their own CVI's.
- Approved for use in all States.

Other options provided:

- Electronic EIA test charts and laboratory submission.
- Electronic VFDs.

## **Smart-iCVI**

Website: <http://www.smarticvi.com/>

- Private company (New Planet Technologies).
- Mobile application available for SmartPhone.
- Monthly fee – costs per CVI depends on number of CVIs issued per month.
- Free trial offered.
- Smart-ICVIs are approved for interstate use in SD. Please check with the other shipping/receiving State before issuing a Smart-ICVI.

## **Veterinary Services Process Streamlining (VSPS):**

Website: <https://vsapps.aphis.usda.gov/vsps/>

- Developed and administered by USDA/APHIS.
- Approved for use in all States.
- No cost to accredited veterinarian.

[Click here](#) for a template to upload multiple animal IDs into VSPS.

### ***Requires Level 2 eAuthentication with USDA.***

e-Authentication is a registration process that enables users to securely access USDA Web applications and services via the Internet. Accredited veterinarians already may have Level 1 eAuthentication if they have renewed their accreditation on-line. The steps for creating a Level 2 eAuthentication account may be found on the following website: <https://www.eauth.usda.gov/home>. Click on "Create an Account." On the next page select either "Request Level 2 Access," or "Changing from Level 1 Access to Level 2 Access." Follow the on-line instructions.

Contacts available for assistance are listed in the document below:

[http://www.aphis.usda.gov/animal\\_health/vsps\\_int\\_lib/downloads/VSPS\\_End\\_User\\_Training.pdf](http://www.aphis.usda.gov/animal_health/vsps_int_lib/downloads/VSPS_End_User_Training.pdf)

Other options provided:

- Generation of test records
- Veterinary accreditation information

## **VetSentry**

Website: <http://www.vet-sentry.com/>

- Private company. Costs per certificate are charged to issuing veterinary clinic.
- One-page format that looks like a paper CVI.
- Vet-Sentry eCVI's are approved for interstate use in SD. Please check with the other shipping/receiving State before issuing a Vet-Sentry eCVI.
